You already want to be a safe driver. Why not get rewarded?

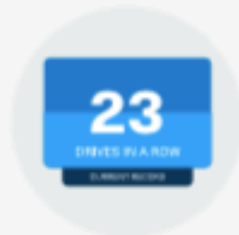

### Take the Driver's Seat

With *IntelliDrive*, your safe driving can now earn you great savings.\*

### Learn About Safe Driving

*IntelliDrive* can help you and your family learn to be safer drivers with tips on driver safety.

### Streaks Are A Fun Way To...

Rack up distraction free streaks by taking consecutive drives without interacting with your phone.

## What is *IntelliDrive*?

It's a 90-day program that rewards your safe driving habits with great savings at renewal. You can earn up to 30% savings on your auto policy, with riskier habits resulting in higher premiums\*. New customers save 10% just for signing up.

## How does *IntelliDrive* work?

*IntelliDrive* lives on your smartphone and monitors your performance as you go. Simply drive as you normally would and receive a breakdown after every trip with details about your drive. Speed, acceleration and braking are some of the variables used to determine your driving performance. Track your overall performance in the app and even compare your score with other drivers on your policy.

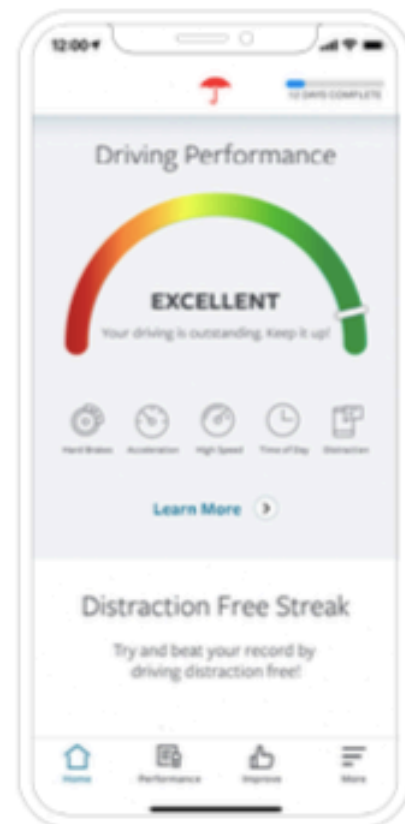

## What's in the App?

**App Dashboard:** This is your home base. Quickly check your driving performance, most recent trips, and see safe driving tips.

**Distraction Free Streaks:** See how many trips you've completed without interacting with your phone. Streaks are a fun way to challenge yourself and your family to put down their phones, and reduce distracted driving.

**Driving Tips:** Check out articles to learn more about safe driving.

**Trip Details:** Get more details about a specific trip, with a map that highlights where you may have had an event like a hard brake, or a fast acceleration.
